

Position Description

Draftsperson

An exciting opportunity exists for an enthusiastic Draftsperson in a rapidly expanding project housing company based in Sydney's North West.

We are seeking an energetic individual with the ambition to join an experienced team and grow within the company. This position presents an opportunity for the right person to join a dynamic, professional team where ability and performance is recognised and rewarded.

Essential Requirements

- Minimum 2-3 years relevant Project Homes industry experience in the same / similar role
- Good knowledge of design standards and new home construction
- Understanding of the BCA, CDC and Local Authority DCP's
- Be highly motivated and willing to learn
- Possess a good work ethic
- Experienced in AutoCAD
- Demonstrate excellent time management with the capacity to work to deadlines
- Successfully completed TAFE Certificate IV or Diploma in Architectural Technology or equivalent
- A professional manner and appearance at all times
- Good communication skills.

Desired but not essential

- Skills in Revit, ArchiCAD, Sketchup, Photoshop or Acrobat.

Responsibilities and Duties

- Report to the Drafting Manager
- Preparation of Sitings, DA/CDC and Construction drawings
- Master drawing documentation
- Liaise with internal team members and external consultants
- The ability to;
 - Work unsupervised and under pressure
 - Apply problem solving skills.

A proven track record, references and folio will be required to fill this position.

Please submit an application including resume outlining qualifications, experience and references to Jamilla Doueihy at JDoueihy@eldertonhomes.com.au or call 02 8319 6100 for more information.
